

# ADVERTISE IN OUR SPORTS PROGRAM

Each year the Mammoth High School Booster Club publishes a sports program which includes rosters, schedules, and athlete pictures for all the school's athletic programs. This is a great way for the business community to support Mammoth High School athletics or for families to show dedication to their special athlete. We would like to invite all businesses and families to show their support by advertising in our program.

Business card, 1/4 page, 1/2 page, and full page ads are available. Only three spots are available for the inside cover, inside back cover and outside back cover.

Orders are filled on a first come first served basis.

*All ads must be presented production ready.*
