

MAMMOTH HIGH SCHOOL BOOSTER CLUB

PAVERS FOR MHS FOOTBALL STADIUM ORDER FORM

Supporting Mammoth High School Academics, Arts, and Athletics

The Mammoth High School Booster Club is offering all business, students, alumni, and families the opportunity to purchase brick pavers to be installed at the new MHS Football Stadium. This is a great way to show business support for the Huskies Football Team, for students and athletes to leave their legacy at the new stadium, for families to make a dedication to their special athlete, and for alumni to have a tribute of their years at Mammoth High. Discounted prices are available on multiple paver purchases from the same individual, business, or family. Large pavers can have either a generic picture logo or a custom business or personal logo. Generic logos are included in the total price with the manufacturer providing the design based upon indicated interests. Previews are available up request. Custom business and personal logos are available for an additional \$25.00. All artwork must be camera-ready and turned in with the order form. Orders must be completed with the name or phrase indicated on the order section below EXACTLY the way the paver is to read. All text will be centered on the paver. It's your message, have fun with it!
