

Now, more than ever,

Money is a Tug of War

Can you help?

Your financial contribution to Boosters is critical to the success of our students. And, as a way of saying thanks, you'll receive **Booster Passes** to all the local 2009-10 **Husky Games** this season! Plus acknowledgement in Mammoth Times and The Sheet with a Thank You advertisement

Dear Business Owners:

Mammoth High School is everyone's business. These students will likely become your clients and your future employees...! You want them to get all they can from their education because successful students grow up to be successful members of the community. And a core community of families is important for year round stability.

The California State budget has *slashed* education funding and is forcing drastic cuts. We all have to be involved in helping our local kids reach their potential in **academics, music, athletics, and fine arts.**

The **Booster Club** at **Mammoth High School** is doing its best to make all that happen. We are a non-profit, volunteer, parent-teacher-community organization that cares deeply about our students' education and extra-curricular development. We help to fund classroom supplies, lab materials, assemblies such as Challenge Day, library books, computer resources, after-school clubs, sports transportation, athletic equipment, fees, mentoring programs, music, drama and art class supplies...and much, much more!

- \$100 Bronze Business Member** – 4 Booster Passes
